

COVERCRAFT®

— SINCE 1965 —

POLICY STATEMENT

ENVIRONMENTAL, HEALTH AND SAFETY (EH&S)

Covercraft Industries is committed to continual improvement of our Environmental, Health and Safety system, the prevention of pollution, the health and safety of our employees, and the impact of our processes on the community.

Covercraft will comply with all relevant EH&S legislation and regulations. Should it be determined that existing laws and regulations are not adequate to assure protection of human health, safety and the environment, we will establish and meet our own EH&S quality standards.

Environmental, Health and Safety objectives and targets are established annually and reviewed for continuing suitability at the management review meeting. EH&S legislation and regulations will be considered when setting goals.

This policy is documented, implemented and maintained in our Environmental Management System. Comments and input from all employees and the community are welcomed and encouraged.

This policy will be communicated to all persons working for or on behalf of Covercraft Industries.
